

Clearway

Foreign body removal

- Removes difficult foreign objects from ear and nose
- Ideal for A&E/ER and MIU
- Less traumatic for patient and family
- Can remove the need for ENT surgeon intervention or Theatre time

Clearway Suction Handle PRODUCT CODE **SVT1001-S**

After 60 minutes of trying to retrieve a small ball bearing from a child's ear, we decided to use the Clearway suction handle which removed it in seconds! We now stock these as a matter of course and have used on many occasions since, with excellent feedback from our ENT surgeons.
