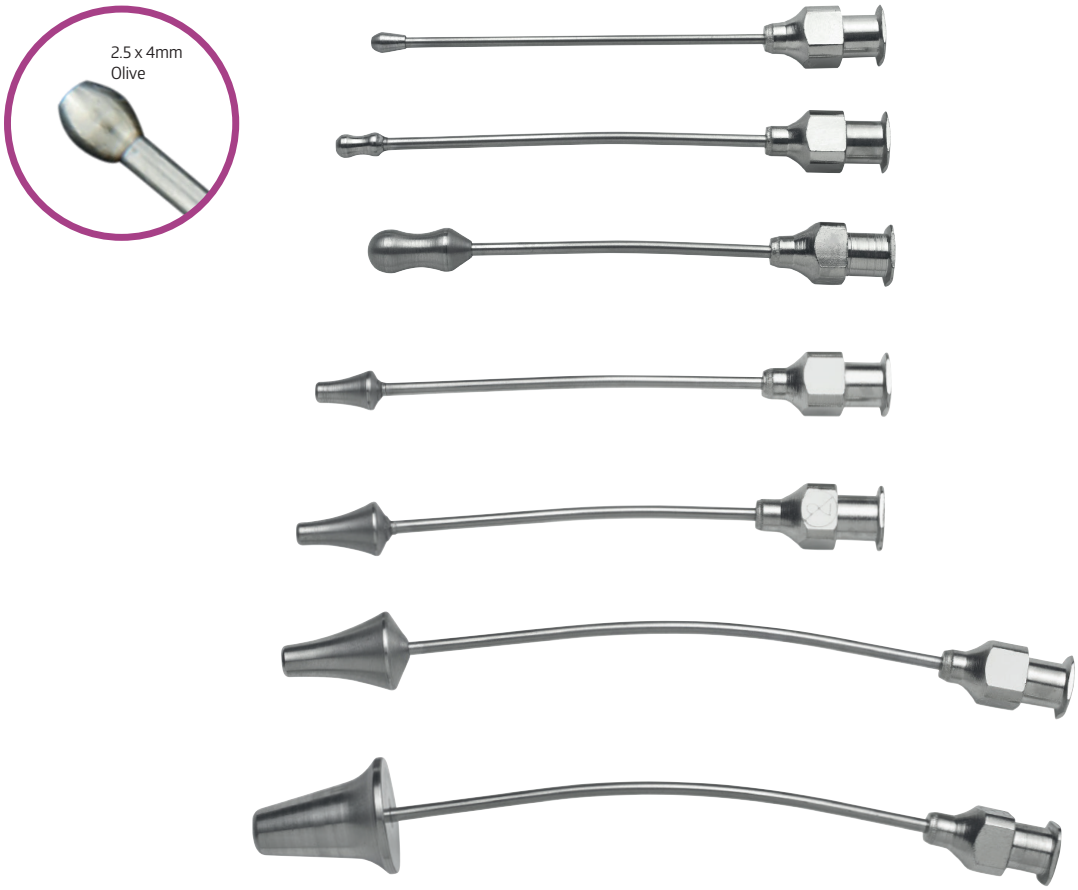
DTR Medical®

AN INNOVIA MEDICAL COMPANY

THE 'PRO'FILE

A Unique Range to Suit Your Needs – Use our Sterile Single-use Tibbs Arterial Cannula



The Design Checklist

- ✔ Unique range of Single-use Tibbs Arterial Cannula with a high-quality stainless-steel construction
- ✔ 9 variants are provided, available in Micro, Small, Large, X Large, and XX Large
- ✔ The Cone and Olive variants increase flexibility, ensuring you get the correct size for the specific vessel when flushing them with heparin solution
- ✔ UK manufactured

Clinical Value – Shape the Outcome of Your Surgical Procedures

TIME

With prompt delivery guaranteed, we endeavour to meet your service needs. Avoiding costly delays, reducing hospital stock holding and improving lead time for instruments

Easier to use than reprocessing very fine tube lumens

LIFE

Removes contamination risks through flushing

Designed to suit the anatomy of your procedures when flushing saline or heparin solution through vessels to prevent clotting

COST

No burden of Sterilisation costs

No shortage of Instruments whilst undergoing repair

Individually packed to avoid wastage

Clinicians' Experiences

Don't just take our word for it, contact us to trial the Tibbs Arterial Cannula in your Hospital
