Clinical Value – ‘Holding’ onto Cheap Plastic Alternatives?

With prompt delivery guaranteed, we endeavour to meet your service needs. Avoiding costly delays, reducing hospital stock holding and improving lead time for Instruments

Provides a more secure grasp to plastic alternatives

Our high-quality, stainless steel Sponge Holders avoid false economies or cheaper alternatives that require multiple packs to be opened to ensure a suitable working instrument is found. Our instruments ensure professional results, first time

No burden of sterilisation costs

Clinicians’ Experiences - Don’t just take our word for it, contact us to trial the Rampley Sponge Holders in your Hospital
